### **News from the Board**

Last month we discussed "Civility" in our Community. Going hand-in-hand with that we have the responsibilities and rights of our Homeowners/Residents and of the Board of Directors. This month we will discuss the "rights" and "responsibilities" of our Homeowners/.

Perhaps the greatest achievement for any Association is creating and sustaining a sense of community among Homeowners/Residents and Leaders. This goal is best achieved when Homeowners, non-owner residents and Association

Leaders recognize and embrace their rights and responsibilities. This month we will discuss the Rights and Responsibilities for better communities starting with the Homeowner/Resident. These principles can serve as an important guidepost for Board and Committee members, Homeowners and non-owner residents.

### Homeowner/Resident Rights

Homeowners/Residents have the "right" to have a responsive competent community Association (Board of Directors) and to have an honest, fair and respectful treatment by community leaders. Homeowners/Residents should participate in governing the community Association by attending meetings, serving on committees and standing for election. Also, by having access to appropriate Association books and records, and to expect prudent expenditure of fees and other assessments. They should expect to live in a community where the property is maintained according to established Standards, Bylaws and Rules. They should expect fair treatment regarding financial and other Association obligations, including the opportunity to discuss payment plans and options with the Association before fines are initiated. They should receive all documents that address rules and regulations governing the community Association prior to purchase and settlement by a real estate agent or attorney when joining the community. They should be able to appeal to appropriate community leaders over decisions affecting non-routine financial responsibilities or property rights.

### Homeowner/Resident Responsibilities

Homeowners/Residents have the responsibility to read and comply with the governing documents of the community, and maintain their property according to established Standards, Bylaws and Rules. They should treat Association leaders honestly and with respect, vote in community elections and on other issues, pay Association assessments and charges on time, contact Association leaders, if necessary, to discuss financial obligations and alternative payment arrangements. They should request reconsideration of material decisions that personally affect them. Also, provide current contact information to Association leaders to help ensure they receive information from the community and ensure that those who reside on their property (e.g., tenants, relatives and friends) adhere to all rules and regulations.

Next month we will discuss the "Right" and "Responsibilities" of the Community Leaders (Board of Directors).

## President's Message

April weather brings warmth and a sense of promise. The earth wakes up and turns green and lush, trees and flowers bloom, birds sing and we come alive too! Sunshine and warmth create energy. We are reborn with heightened excitement for all of the activities and freedom from jackets that the warmer weather brings. The pool opens, tennis and pickleball players emerge, the Garden Club begins planting, Bocce players' laughter can be heard from beyond the pool. And the smell of hot dogs fills the air! Here we go!!!

You have all earned the pleasures of the lazy, hazy days of the anticipation of summer. We are so excited to share all the fruits of the hard work and creativity so many of you have brought to us all over the fall and winter. We are definitely looking forward to realizing "Holiday Heights Reaching New Heights" this year and our reborn sense of community. Yet, there is still much left on the table to accomplish before this Board comes to an end in September. Help us keep our promise to rebuild and realize that we are not without talent and commitment.

We are still striving to have a computer savvy homeowner come forward and share his/her knowledge with us. Our community will be embarking on our new technology upgrade within the next few months and in full swing in 2025. Anyone without, or with minimum computer knowledge, will need much help to be able to access their own accounts. Don't worry...we will have several meetings to give every-

one information and instructions. However, if you are able we need your help.

We are also looking to have someone to volunteer to organize and coordinate a Trivia Night and a Game Night either in the afternoon or evening. Still hanging in the balance is a coordinator to organize a Casino Night. If we can just climb that ladder to the top of our "wish list" before the end of this year, we will have completed all that we have set out to do for 2024...with the exception of "**The**" major need of 5 new Candidates for the new Board for 2025!!!

It is not too early to start the recruitment process. We need to carefully search for qualified, committed, and knowledgeable homeowners to keep the ball rolling in bringing new strengths to Holiday Heights. There is much that goes into being on the Board other than the fun and entertainment for your pleasure. This Board is in the process of obtaining proposals from three engineering firms to conduct our Capital Reserve Study which will keep us compliant and prepared to adhere to the guidelines of the S2760 law. We take this very seriously and need to make the very best decision on the company selected.

Our goal and that of past Boards has always been to provide the very best services for the safety and financial security for all Holiday Heights Homeowners.

We are all proud to have achieved so much this past year and to continue going forward. **YOU** are all responsible for helping to make it happen.

Thank You for all you do and for what is yet to come!

# GRASS CUTTING POLICY

**Weather Permitting, Grass will be scheduled to be cut approximately  
10 days from your last cut.**

## **Sprinkler heads are the Owner's responsibility**

All Grass Cutting Issues must be reported to the HOA Office in writing, using the Lawn Complaint Form (forms are available at the HOA Office or on our website at (holidayheights.org)). Please do not call the Lawn Contractor or a Director. A complaint form must be filled out for all complaints. No complaint form filled out will void the complaint.

Damage to property such as siding, fences, borders and sprinklers will be addressed in a timely manner. Our contractor has staff to handle these repairs. Should you have damage, please take responsible measures to prevent further damage. All complaints will be inspected by a director to determine the cause and action to be taken. Repairs made by homeowners prior to the Director's inspection and without authorization by the Board, will not be reimbursed. Please ensure the cutters have a clear path and your sprinkler heads are down on grass cutting days. Sprinkler heads damaged due to heads being raised during the cut cycle will not be repaired by the Lawn Contractor. If you have heads that do not retract, place red do-not cut flags around the head until you can have it repaired, also confirm all ground panels are secured.

Damage to lawns such as scalping and ruts will be considered on a case-by-case basis. Some will grow back without intervention. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinklers. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red flags from the HOA Office and circle the saturated areas so the mowers know not to cut that area.

No Cut Signs are a violation and are subject to a fine if placed on your lawn.

"No Cut" flags are available in the HOA Office for those not wanting the Association to cut their grass. You will need to fill out the No Lawn Cut form and you will be given flags at the HOA Office.

Under normal soil conditions, grass requires only ½ to 1 inch of water per week. Our soils are generally wetter due to the high-water table and type of soil; therefore, discuss this with your sprinkler contractor and ask them to adjust the frequency and run times on your sprinkler system for roughly ¾ inch per week. Also ask them to adjust your system as needed throughout the watering season. Remember the water requirements for the area between the homes may be less than the front and back, work with your neighbors to establish a watering schedule. Watering your lawn every day is not needed unless it is a new seeding.

If you have any questions or concerns, please Call George Wilhelm at Ext 213

# Contractor - Lawn Damage Disclosure

**Sprinkler Heads** –It is the homeowner’s responsibility to ensure the sprinkler heads are operating correctly and are down during the cut cycle. If there are raised sprinkler heads, they should be circled with do not cut flags to avoid damage. Concrete sprinkler collars cause significant damage to the lawn cutting equipment and should be removed. The Lawn Contractor will not repair damaged sprinklers due to raised sprinkler heads.

**Sprinkler Valve Boxes and Well Cover Boxes** – These boxes should be installed slightly below or at ground level. Covers are to be fastened to the boxes with set screws, to prevent lids from popping up and causing damage to mowers and landscaper personnel. Aged and deteriorated lids, should be checked and replaced periodically because they have a tendency of cracking. The Contractor will not be liable for damages if the above guidelines are not followed. The Contractor is not responsible for damages to Verizon or other utility boxes.

**Home Exterior** – Homes should have a 12 inches barrier separating the home and its entities from the grass. Homes without the 12 inches barrier must have its siding and/or home exterior covering at least 12 inches in height or more from ground level. Contractor will not be liable for siding damage or home damage if guidelines are not followed.

**Lawn and Landscape Décor, Lighting and Mailboxes** – All should have a 12-inch barrier between them and the grass areas. All wires need to be buried to avoid being cut.

**Ruts & Damaged Turf** –Damage to lawns such as scalping and ruts will be considered on a case-by-case basis. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinkler system settings. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red DO NOT CUT flags from the HOA Office and circle the saturated areas so the mower operators know not to cut that area.

**Lawn Area** – Homeowners are to make sure the lawn is free and clear of stones, debris and personal property which can become a projectile or cause damage or injury. (Example: Garden hoses, dog leashes, tools, etc.) Any personal property should be a minimum of 12 inches away from the grass areas to prevent damage. All grass areas are to be level with proper soil and grass installation. Grind all stumps to ground level, chips removed and soil installed. All ground covering (mulch, stone, etc.) should be separated from the grass by a barrier, because if mixed in the grass they can become projectiles and can cause damage and personal injury. The Contractor will not be liable for repair or replacement of personal property if debris/ground covering is the cause of damage or injury.

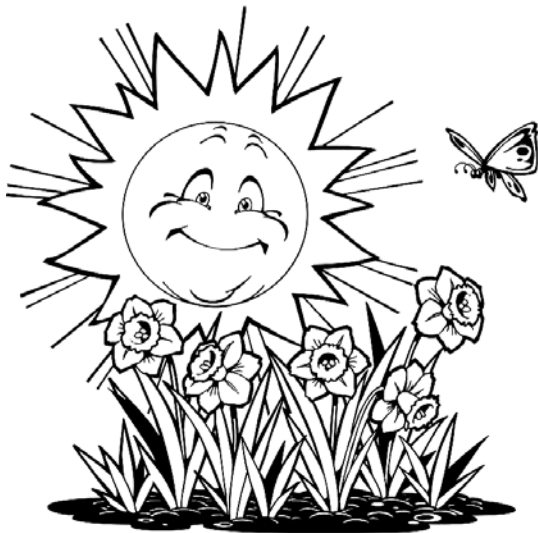

**Repairs** – Any reported damages by a homeowner will be reviewed by the Association’s Grass Liaison (Director) to determine if the Contractor is liable under the guidelines in the Contract Damage Disclosure. All Grass Cutting Issues must be reported to the HOA Office in writing using the Lawn Complaint Form. Failure to complete a complaint form, voids the complaint. Lawn Complaint Forms forwarded to the Contractor for repair will be reviewed within 7 days of receipt and repaired within 10 days after reviewing. The Grass Liaison will be notified if damages will take longer to repair, which could happen due to circumstances beyond their control.

## Holiday Heights Open Board Meeting

February 6, 2024

Opened: 2:06

In Attendance: Carol, Lou, Carol B, George (delayed) Absent: John, Joanne 82 Homeowners

Carol: called the meeting to order with the Pledge of Allegiance and a Moment of Silence. Announced that Mr. DeSimone's resignation was received and accepted by our attorney. Gave update on HOPA Project. There were 208 non responders and final notices were mailed 2/6. In order to prevent a fine, they must attend the Survey Response Session on Wednesday, February 21, 2024, at 6:30 pm in the auditorium. First Directors Night 1/29 update- no one came out. The next night is 2/26 from 6:30-7:30.

Carol B: Read a synopsis of the minutes from the 1/9/2024 Open Board Meeting. No Quorum, minutes were not approved.

Carol: Opened a discussion for the need of Board Candidates and Recruitment. Come September we will have 5 open board positions. We have many talented people in our community with a wide range of experience. Opened the floor for questions and discussion.

1. Can Only Homeowners be on the Board? Answer: According to Radburn Law the qualifications are you must live in the community and be in good standing.
2. The last Meet the Candidates Night was too late. It should be before the ballots are mailed and a picture of the candidate should be in the Courier.
3. There should be a description of the Directors duties. Answer: The job descriptions are in Homeowners Manuel.
4. There should be a recruitment campaign for the Board. Answer: You can nominate someone that might be a good candidate.
5. If the Directors are overloaded with their duties, they should be distributed equally. Answer: George -Being new to the board and learning the duties. I relied on the help from the other directors. We work as a team to help each other.

Lou: Discussed the **NJ Senate #2760 Law** that will impact our community. It concerns Structural Integrity Regulations and Reserve Study projections. All communities are required to be in compliance with this law. We are required to do a Capital Reserve Study with a 30-year projection. After a meeting with the attorneys and accountant there will be a special Homeowners Meeting on 3/28 @ 7:00. We will have more information at that time.

Homeowner questions:

1. Will it have a financial impact? Answer: it may, yes- Right now we don't know the cost.
2. Did the legislature vote on it? Answer: Yes-It's the law
3. Who introduced the bill? Answer: It was sponsored by Senator Troy Singleton
4. What is the percentage? Answer: There is no percentage but a threshold.

With no further business Carol closed the meeting at 3:40

Respectfully presented by Carol Bianco Interim Secretary to the board

## Monthly Food Drive

The Monthly Food Drive, the last Friday of each month, is an ongoing drive that is in our second year. Please donate any non-perishable food items you can. There is still a need for donations in Ocean County. Many families are unable to afford food on an ongoing basis.

There are also bins outside our clubhouse that are taken in daily!!! Other communities are welcome to donate. Do your part if you can and donate. It will give you a warm and fuzzy feeling!!!!!!

## Mah Jongg

Ever since COVID hit, Mah Jongg players have had a hard time reorganizing. My apologies for taking so long to address this problem. As things stand now, Mah Jongg is played Monday from 1 to 4PM in the room next to the office, and on Wednesday from 1 to 4PM in the Arts and Crafts room. All players of any level are welcome. If you would like to learn, contact Marylou at 732-300-0921.

## Bocce News

After many years as Bocce Group Leader, Ed Lipinski is stepping down. I'd like to personally thank Ed for his dedication in maintaining the courts and making it a fun friendly game for all that participated throughout the years. I'm sure we'll continue seeing Ed helping and playing Bocce.

The Bocce Season will be moved to Thursdays this year and will begin Thursday, April 18<sup>th</sup> from 9AM to 12PM. In May we will add Monday Evening Bocce under the lights.

Come out and join the fun! It doesn't matter if you've never played before, it's easy, fun and friendly. It's a great way to make new friends - Over time you'll get to know everyone by playing alongside them.

Please contact me if you should have any questions or concerns:

# Recipe

## Chocolate Truffles

### Ingredients:

1 1-pound package of Oreo cookies (not double-stuffed) (3 sleeves)

8 oz. cream cheese (softened)

12-ounce package of semi-sweet chocolate morsels

1 tablespoon of Crisco

Colored sprinkles

### Directions:

In a food processor, finely grind the cookies. Put the ground cookies in a bowl. Add the cream cheese and mix them together. Take a teaspoonful and roll it in your hand into a small ball. This will yield 40-45 little balls. Line a cookie sheet with waxed paper and put the balls on the tray. Refrigerate for 45 minutes.

In a small double boiler, melt the chocolate morsels over a low heat. Add the Crisco and mix until smooth. Dip balls into the chocolate. (4 at a time). Place them on a cookie sheet and sprinkle with colored sprinkles. Refrigerate until they harden. Enjoy!

# HOLIDAY HEIGHTS FIRST AID SQUAD

The Holiday Heights First Aid Squad was formed in 1987 to serve the residents of Holiday Heights. We currently work a 12-hour shift from 7 am until 1900 (7 pm). The days we work are Monday, Tuesday, Wednesday & Thursday.

Each crew consists of an EMT or Certified Assessor, a driver/ lifter and an information specialist. Both of our ambulances are equipped with hydraulic stretchers that lift the patient into the ambulance.

There are 3 requirements to become a squad member: having a valid driver's license, getting CPR certified, and being able to get on and off the ambulance unassisted.

All crew members are certified in CPR and the use of an AED. Classes are provided in the squad

building, and all costs are covered by the squad. Members that want to be certified as an Assessor or EMT may take the required class at no cost. Drivers attend a CIVO or Advance Emergency Drivers class. Additionally, there are other classes offered by the town or County, and attendance is voluntary.

Uniform shirts and jackets are provided by the Squad. You will need black pants and black shoes.

Most Crews work two or three days per month, and we also have one mandatory meeting per month, usually the fourth Wednesday of the month.

If interested please fill out the bottom of the flyer and drop it off at the squad building, 120 Prince Charles Drive.
