News from the Board

Volunteer - one who chooses freely to do something; to offer or give of one's own free will. We hear a lot about volunteers. We hear how much we appreciate their time, effort, and dedication to help this Community. We hear that there is a need for more volunteers to make this a better Community and to assist in providing many activities and services for our members.

When you look at our community of 1415 homes and families and the number of members volunteering their time and effort, you will find about 200 to 300 members are calling themselves volunteers. They are the backbone of all the events, committees and activities in Holiday Heights. Without a doubt, they are appreciated.

The question is, why are so few supporting so many? To help understand this you have to look at a breakdown of who volunteers and who does not. Of the 100% of our members, the best guess is about 20 to 30% are still holding full or part-time jobs which makes it difficult to find time to volunteer. Then some have been here for a long time: about 10% are our "originals", who no longer can physically give their effort and there are about 20% who volunteer. That leaves about 40%, who do have the time and can provide some effort to make this a better community.

Next month we will discuss what it means to be a volunteer and a volunteer's commitment.

PRESIDENT'S MESSAGE

Running a successful homeowners association is no easy feat! The tasks of maintaining a safe, welcoming, thriving community in which members will love to live falls in the hands of a Board of Directors. As hard as we try, we can't be all things to all people that's why a strong mix of good people with varied backgrounds and qualifications to share in the responsibilities and critical thinking needed to run the business and recreation of a community is essential. We know it can be done and ask you to give careful thought to who you are and who you believe will be capable of filling these qualifications.

Board of Director Positions (5 needed this year)

Because these volunteers dedicate countless hours to their positions, they are crucial to keeping the association running smoothly. If you are thinking of running for a position on the Holiday Heights Board of Directors consider the following:

Qualifications

So, who should serve on an HOA Board of Directors? The short answer: any homeowner who wants to better their community! Positions are open to anyone who wants to volunteer. However, these elections should be much more than just a popularity contest, and Homeowners/members must make careful consideration before casting their votes. Everyone entering the ring believes they have good intentions and can do the best job.

While there is no law that establishes required qualifications for those wishing to serve, there are guidelines that are strongly encouraged.

When electing Directors, HOA Membership should consider whether candidates possess the following pertinent characteristics typical to be exceptional HOA officers and decision makers:

- **Honesty** – Associations are governed by laws, codes, and covenants designed to help the community thrive and avoid misconduct. HOA officers must be willing to abide by these rules and ensure that all community members follow them. Additionally, certain board positions, especially Treasurer, grant access to and management of association funds; therefore, a trustworthy volunteer is vital to ensuring the financial stability of the HOA.
- **Reliability** – Community members are much more likely to follow association rules when they know their board will follow through on penalties for breaking them. Reliable board officers who fulfill their duties with consistency and with the best interest of their members greatly help to foster an increased sense of unity within the association.
- **Education or Knowledge** – While some associations require those filling a board position to have a bachelor's degree, generally a high school diploma or equivalent is sufficient. It's also helpful for board members to have a background in business management or administration, with a working knowledge of accounting and bookkeeping procedures, and in today's world have basic computer skills to help manage account information and communications.
- **Motivation** – HOA Directors/officers have a big job, as they are in a position to help create a strong, flourishing community. When they recognize and elect a candidate who is passionate about what they do, board members can be sure that their officers' actions are always motivated by a desire to improve the association, rather than promote or push their own agenda.
- **Communication** – Running an HOA requires constant communication. Board members must be prepared to distribute association news to residents, make phone calls, and send emails on behalf of the HOA. Good interpersonal skills between board members, vendors, and homeowners are integral in creating a constructive environment for all involved. Each Director must commit time to their assigned responsibilities as well as attend all meetings and community related informative gatherings.

Establishing a strong Board of Directors is a critical step in HOA management and shouldn't be taken lightly. Carefully elected officers can make all the difference in the quality and success of the association!

Running a successful community should not weigh heavily on one or two of the elected directors but be evenly distributed based on their level of skill and past experiences. Remember to choose wisely and carefully for a smooth future and heightened performance.

GRASS CUTTING POLICY

Sprinkler heads are the Owner's responsibility

All Grass Cutting Issues must be reported to the HOA Office in writing, using the Lawn Complaint Form (forms are available at the HOA Office or on our website at (holidayheights.org)). Please do not call the Lawn Contractor or a Director. A complaint form must be filled out for all complaints. No complaint form filled out will void the complaint.

Damage to property such as siding, fences, borders and sprinklers will be addressed in a timely manner. Our contractor has staff to handle these repairs. Should you have damage, please take responsible measures to prevent further damage. All complaints will be inspected by a director to determine the cause and action to be taken. Repairs made by homeowners prior to the Director's inspection and without authorization by the Board, will not be reimbursed. Please ensure the cutters have a clear path and your sprinkler heads are down on grass cutting days. Sprinkler heads damaged due to heads being raised during the cut cycle will not be repaired by the Lawn Contractor. If you have heads that do not retract, place red do-not cut flags around the head until you can have it repaired, also confirm all ground panels are secured.

Damage to lawns such as scalping and ruts will be considered on a case-by-case basis. Some will grow back without intervention. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinklers. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red flags from the HOA Office and circle the saturated areas so the mowers know not to cut that area.

No Cut Signs are a violation and are subject to a fine if placed on your lawn.

"No Cut" flags are available in the HOA Office for those not wanting the Association to cut their grass. You will need to fill out the No Lawn Cut form and you will be given flags at the HOA Office.

Under normal soil conditions, grass requires only ½ to 1 inch of water per week. Our soils are generally wetter due to the high-water table and type of soil; therefore, discuss this with your sprinkler contractor and ask them to adjust the frequency and run times on your sprinkler system for roughly ¾ inch per week. Also ask them to adjust your system as needed throughout the watering season. Remember the water requirements for the area between the homes may be less than the front and back, work with your neighbors to establish a watering schedule. Watering your lawn every day is not needed unless it is a new seeding.

If you have any questions or concerns, please Call George Wilhelm at Ext 213

Contractor - Lawn Damage Disclosure

Sprinkler Heads –It is the homeowner’s responsibility to ensure the sprinkler heads are operating correctly and are down during the cut cycle. If there are raised sprinkler heads, they should be circled with do not cut flags to avoid damage. Concrete sprinkler collars cause significant damage to the lawn cutting equipment and should be removed. The Lawn Contractor will not repair damaged sprinklers due to raised sprinkler heads.

Sprinkler Valve Boxes and Well Cover Boxes – These boxes should be installed slightly below or at ground level. Covers are to be fastened to the boxes with set screws, to prevent lids from popping up and causing damage to mowers and landscaper personnel. Aged and deteriorated lids, should be checked and replaced periodically because they have a tendency of cracking. The Contractor will not be liable for damages if the above guidelines are not followed. The Contractor is not responsible for damages to Verizon or other utility boxes.

Home Exterior – Homes should have a 12 inches barrier separating the home and its entities from the grass. Homes without the 12 inches barrier must have its siding and/or home exterior covering at least 12 inches in height or more from ground level. Contractor will not be liable for siding damage or home damage if guidelines are not followed.

Lawn and Landscape Décor, Lighting and Mailboxes – All should have a 12-inch barrier between them and the grass areas. All wires need to be buried to avoid being cut.

Ruts & Damaged Turf –Damage to lawns such as scalping and ruts will be considered on a case-by-case basis. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinkler system settings. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red DO NOT CUT flags from the HOA Office and circle the saturated areas so the mower operators know not to cut that area.

Lawn Area – Homeowners are to make sure the lawn is free and clear of stones, debris and personal property which can become a projectile or cause damage or injury. (Example: Garden hoses, dog leashes, tools, etc.) Any personal property should be a minimum of 12 inches away from the grass areas to prevent damage. All grass areas are to be level with proper soil and grass installation. Grind all stumps to ground level, chips removed and soil installed. All ground covering (mulch, stone, etc.) should be separated from the grass by a barrier, because if mixed in the grass they can become projectiles and can cause damage and personal injury. The Contractor will not be liable for repair or replacement of personal property if debris/ground covering is the cause of damage or injury.

Repairs – Any reported damages by a homeowner will be reviewed by the Association’s Grass Liaison (Director) to determine if the Contractor is liable under the guidelines in the Contract Damage Disclosure. All Grass Cutting Issues must be reported to the HOA Office in writing using the Lawn Complaint Form. Failure to complete a complaint form, voids the complaint. Lawn Complaint Forms forwarded to the Contractor for repair will be reviewed within 7 days of receipt and repaired within 10 days after reviewing. The Grass Liaison will be notified if damages will take longer to repair, which could happen due to circumstances beyond their control.

A SHOUT OUT TO: Joe Florio

Close your eyes and imagine you are on a Caribbean Island. Open the door to our Auditorium and your hips will begin to undulate to the Moroccan rhythm of the Merengue! That is where you will find your instructor, Joe, who has stepped forward and volunteered his time to share with us his lifetime passion for Ballroom Dancing!

The classes begin with the Box Step, Rumba, Fox Trot, and Waltz. You will also have fun with the Hustle, the Cha Cha, and the Triple Swing. No need to feel anxious, Joe is very patient and will lead you as you follow in his steps.

In an effort to bring new and exciting activities to Holiday Heights, Carol Hudak put the word out to the Community for a possible dance instructor, and that is how it all began. As soon as they could work out a day, a time, and a location, Ballroom Dancing came to be! Wednesday evenings at 6:30 in the auditorium, the fun begins as Joe shares his professional talents with you.

Joe emerges from interesting beginnings. Caregivers of Central Jersey, a non-profit organization that provides aid to those who work in nursing homes, holds a dance competition as a major fund-raiser, called Dancing with Their Stars. Joe and his partner represented Silverton Community Club and competed against dancers from various organizations. The proceeds from the competition go to the care givers organization.

Joe and his wife have also travelled around the world on cruises where they taught ballroom dancing to vacationers on cruise ships. He sends his audition tapes to an agent and if they like what they see, he has his foot in the door! The dancing takes place while they are sailing the seas!

So, men and women, on your next free Wednesday evening, put on your dancing shoes (no sneakers, please), waltz yourself over to the clubhouse, and sign in to an hour of dancing with Joe. You'll be glad you did!

The Holiday Heights Ladies Golf Club is open to all players at all levels. We are a non-competitive Group who enjoys the game. Weather permitting, we play every Tuesday at Cedar Creek Golf Course in Bayville. We start Mid-April and play through the end of October. Play as often as you like. Missing a week is not a problem.

We will be playing with a league called "Party of Fore". There is a yearly fee of \$25.00 payable to Cedar Creek Golf Course which gives a discounted play rate. We play 9 holes, but you can continue to 18.

If you have additional questions, please call Ann DeMercurio at 201-774-4062.

HAPPY HOOKER UPDATE

I am happy to tell you that we had several yarn donations from our community members. We are also happy to report that we are going to have some of them join us at our Monday meetings. We are also very proud that our clubhouse and auditorium look so good. Many thanks to our HOA.

Recipe Summer Tomato Salad

Ingredients:

- 1 small red onion, thinly sliced
- 1 tbsp. red wine vinegar
- 2 tsp. honey
- ½ tsp. Dijon mustard
- 3 tbsp. extra-virgin olive oil
- Kosher salt
- Freshly ground black pepper
- 2 lb. ripe tomatoes, cored, cut into ½ wedges
- 4 oz. feta cheese crumbled
- Finely cut basil and/or parsley to taste

Directions:

Step 1

In a medium bowl, cover onion with ice water. Let sit, stirring until flavor is mellowed, about 10 minutes. Drain and pat dry.

Step 2

Meanwhile, in a large bowl, whisk vinegar, honey, and mustard until combined. Whisking constantly, slowly stream in oil until emulsified, season with salt and pepper. Add tomatoes, gently stirring to coat. Let marinate at room temperature for 5 minutes

Step 3

Add feta, herbs, and onions to salad and gently toss to combine. Serve immediately.

Social Club News

June is here and now comes the long awaited beginning of summer. This year the official first day of summer begins on Thursday, June 20th. Coincidentally it happens to be the same day as our last Social Club meeting of the 2023/2024 season. Looks like we will be welcoming summer and closing out our season on the same night! We hope that all our members enjoyed this season. We will strive to do the same for the upcoming 2024/2025 season. We all know how important it is to socialize and be a part of our community. In addition to the Social Club, Holiday Heights provides many other activities for all of us to participate in. So come out and take advantage of these many fun events. This month doors open at the usual time of 5:30 PM. If you are not a member and would like to join us, stop in the lobby and see a Social Club officer for assistance. After coffee and dessert and the selling of our raffles, we will be entertained by a comedy show. We are excited about this show and hope that you all will enjoy it. Who doesn't like to laugh! After this June meeting Social Club breaks for July and August and will resume on Thursday, September 19th. Be sure to read your September Courier for details on next season's membership. Hope to see you all on the 20th. For those of you that can't attend, have a fun and safe summer and see you in September!!!

Social Club Officers

Holiday Heights First Aid Auxiliary

May flowers are beginning to bloom as the auxiliary winds down for a well-deserved summer sabbatical. The members are looking forward to sharing a meal off site this month when the board will present the First Aid Squad with proceeds from the 2023-2024 season.

Be sure to keep your eyes open as not all fundraising stops during the summer break. A yard sale on June 22nd is planned and there will be hot dogs near the pool on August 31st. Watch for flyers with details.

Registration for the 2024-2025 membership will begin in August. Only \$10 for the year. We hope you'll consider joining.

Enjoy the Summer. Stay healthy and be safe.

Monthly Food Drive

The Monthly Food Drive, the last Friday of each month, is an ongoing drive that is in our second year. Please donate any non-perishable food items you can. There is still a need for donations in Ocean County. Many families are unable to afford food on an ongoing basis.

There are also bins outside our clubhouse that are taken in daily!!! Other communities are welcome to donate. Do your part if you can and donate. It will give you a warm and fuzzy feeling!!!!!!!

Mah Jongg

Ever since COVID hit, Mah Jongg players have had a hard time reorganizing. My apologies for taking so long to address this problem. As things stand now, Mah Jongg is played Monday from 1 to 4PM in the room next to the office, and on Wednesday from 1 to 4PM in the Arts and Crafts room. All players of any level are welcome. If you would like to learn, contact Marylou at 732-300-0921.

HOLIDAY HEIGHTS FIRST AID SQUAD

The Holiday Heights First Aid Squad was formed in 1987 to serve the residents of Holiday Heights. We currently work a 12-hour shift from 7 am until 1900 (7 pm). The days we work are Monday, Tuesday, Wednesday & Thursday.

Each crew consists of an EMT or Certified Assessor, a driver/ lifter and an information specialist. Both of our ambulances are equipped with hydraulic stretchers that lift the patient into the ambulance.

There are 3 requirements to become a squad member: having a valid driver's license, getting CPR certified, and being able to get on and off the ambulance unassisted.

All crew members are certified in CPR and the use of an AED. Classes are provided in the squad

building, and all costs are covered by the squad. Members that want to be certified as an Assessor or EMT may take the required class at no cost. Drivers attend a CIVO or Advance Emergency Drivers class. Additionally, there are other classes offered by the town or County, and attendance is voluntary.

Uniform shirts and jackets are provided by the Squad. You will need black pants and black shoes.

Most Crews work two or three days per month, and we also have one mandatory meeting per month, usually the fourth Wednesday of the month.

If interested please fill out the bottom of the flyer and drop it off at the squad building, 120 Prince Charles Drive.
