News from the Board

Well, September is off to a great start. We have six community members running for five open positions on the Board. We hope you had an opportunity to see the candidates at one of the "meet the candidate" sessions. If not, information for each candidate is included in the Election packet sent to your homes on August 15th. Review each candidate's background and skills and select who you think will serve you and the community best.

That was the good news. At the August 19th budget meeting, it was announced there will be a dues increase in the fiscal year 2024 -2025 mainly due to the new NJ laws concerning Maintenance and Capital Funding. While this may be painful for everyone, including Board members, the Board had to do what was required to comply with the new law. All homeowners must understand that it is important to maintain our physical facility. Without a plan and funding for future projects, when the component needs repair or replacement in the near future if funding is not in place, the Board will have to obtain funding through a "Special Assessment". The Board feels it is better to put some funding away each year than to bear the total expense all at once later. The Board could have underfunded the Capital Reserve each year, but that would only kick the can down the road to be dealt with by a future Board. This Board had to step up and do what was in the community's best interest and meet the Board's fiduciary responsibility.

President's Message

By the time you read this message, the long-awaited Summer is behind us and one of the most successful, fun-filled, and best pool seasons is ended. We hope the efforts this Board and all the hard work Joanne Grzywinski has demonstrated, will be carried forward by Boards to come. Extended hours, Grandparents Day, and extended Children's Hours add to some of the new, added value to our beautiful pool.

I know it seems strange to consider this message to be a "year in review" but September begins a new fiscal year for Holiday Heights.

As we look back, this has been a real whirlwind year! A new roof in Building 1; new flooring in Buildings 1 & 2; renovation of the offices; painting; a fire in the Men's rest room in Building 2; solar panel updates; a new central Fire Alarm System; pool resurfacing; concrete deck sealing; new electrical wiring and lighting in both buildings and updated electrical panel installation; updated interior décor (with help from Bingo in the lobby and help from the Social Club in the Auditorium); updates to the shuffleboard and tennis courts; and all around general sprucing up and maintenance repairs to name a few. The implementation of our new Operating System, Enumerate, has brought many challenges and much excitement to our administrative staff following months of training and due diligence as the process continues.

The Board conducted Focus Groups last winter to gather all age groups to find out what they are hoping to have in addition to our existing amenities and activities. We brought in some new events, i.e. Arts & Crafts; Painting classes; Ballroom Dancing; The Women's Club bringing with it Candy Bar and Lottery Bingo; Indoor Shuffleboard (thanks again to Bingo); and a designated Game Room fully stocked with new games for all to enjoy. We had Karaoke, and a fabulous 80s Dance Party and we are bringing a Murder Mystery and Jersey Shore Medium to our list of events. None of these new activities would have been possible without new volunteers stepping forward to support these programs and put in all the work and new energy to make it happen.

We accomplished all of this while staying within/or under the 2023-2024 Budget set in place by last year's Board while doing it all with only 5 of the 7 Board Directors following the resignation of the two newly elected Directors last Fall. We are grateful to have encouraged Carol Bianco to join us as she continues to be an active, integral Director, serving as our Secretary and bringing our current Board to 6 Directors to finish out this year.

By now, the Board Election is nearing an end and you will be voting for 5 new Directors as we say good-bye to the current Board's departing members. Joanne Grzywinski and John Barone are completing their terms while Carol Bianco, and George Wilhelm are seeking election in addition to new Candidates. Lou Mangerpan and I remain as we wish our departing colleagues the best of good health and good luck. We extend a warm welcome to the newly elected Board Members on September 10th. We have much work to continue.

It's been an amazing year! It has been my honor and pleasure to serve as your President marking the completion of my sixth year on the Board and heading into the last year of my term.

None of the above, plus so many of the unspoken accomplishments would have been possible without **YOU** in keeping "**Holiday Heights Reaching New Heights**".

Be proud! We are still and will continue to be the premier 55+ Community to live in and enjoy as long as you continue to support and participate in as many of the activities we offer.

Election 2024-Candidate's Narratives

Dee Barletta

I moved to Holiday Heights in 2017. I previously lived in a community with an HOA where I served for six years on their Board as a Corresponding Secretary. One year after moving to Holiday Heights I submitted my name to fill a vacated position on the Board of Directors, but that position was filled by a more qualified candidate. I instead was offered and accepted a position as a member of the Bylaws Committee, becoming Bylaws Chairperson in 2020. After learning in 2022 of the resignation of the Chairperson for the Neighborhood Watch Committee, I stepped up to fill that position as well. I believe the root of an Association is to work with the residents who volunteer as chairpersons, officers, or members of the committees, clubs, and groups that facilitate the ongoing essence of a 55+ Community. Their participation allows the Directors, in their roles, to run the business of the Association and retain the original intent of a 55+ Community for the residents.

I hope my participation as one of 7 Directors, will foster this Community to move forward, governed by a self-managed Association, and promote the continuation of Holiday Heights as an active 55+ Adult Community.

Carol Bianco

I'm excited to announce my candidacy for a position on the Holiday Heights HOA Board of Directors. I have been serving on the board as interim secretary for the last 7 months. Therefore, I know what this job entails and believe have the necessary experience to do it well. I am also very committed and I welcome the opportunity to continue as a member of the Holiday Heights Board. For those of you who don't know me, my husband Roger and I have lived in Holiday Heights for 8 years. I served as President of the Holiday Heights First Aid Auxiliary for 5 years.

My work experience was in the Health Insurance and Banking industry holding various positions such as Credentialing Management Specialist, small group accounts billing, customer service, and financial book-keeper. I believe my background in office management, finance, and customer communication is an asset for the director's job responsibilities. I am asking for your support in the upcoming HOA Board Election. I hope to continue my volunteerism for the advancement of our community and "Reaching New Heights".

Rita Casteline

I would like to introduce myself. I am a divorced mother of three children and grandmother of five. As a single mother, I am very well-versed in running a household, holding down a very demanding full-time job, and volunteering for various activities, for the benefit of my children. I taught CCD for 9 years; did fund-raising for my son's high school Ice Hockey team; volunteered and chaperoned for Operation Graduation, and was active in the PTA, to name a few.

I was a paralegal for approximately 25 years, the last 12 years for a large Family Law firm in Morris County. Over the course of my career, I have handled criminal matters; corporate financial matters; client contact dealing with clients at the most stressful times in their lives, while going through their divorce; and had direct contact with judges from Superior Court, Appellate Court, to the Supreme Court.

I love my community and have made many new friends since moving into Holiday Heights. I would love to help my community grow and prosper, through mutual respect for one another and pride

Kenneth Link

My name is Kenneth Link. I have been living in Holiday Heights for the last 30 years. I retired from the Department of Defense with 33 years of service as Supervisor/Division Chief. I helped inspection of IEM module in putting first man on moon. I was an instructor for contract law to new employees and military. I reviewed all government contracts at assigned facilities to assure compliance with specifications. I wrote procedures for quality assurance and performance audits, was appointed public relations manager with various duties and responsibilities. I was a shop steward and honorably discharged from the army. I look forward to working with all in resolving issues of any kind.

Tim Murphy

Oversaw project to create new standardized contracts for outside Staffing Firms doing business with Sterling, which resulted in significant cost savings on future billing.

George Wilhelm

My name is George Wilhelm, an owner for three years in Holiday Heights. I am introducing myself as a nominee again for a director position on the Holiday Heights Board. Over the last two years, some of my top accomplishments have included the introduction of a community wide garage sale, suggestion box, renegotiated and signed a new landscaper and snow removal company saving the community over \$30,000 a year. Getting to know many of you has been a great pleasure.

An HOA Board is not new to me. I was elected treasurer of a condominium association prior to my living in Holiday Heights. In the years preceding my election as treasurer, the condominium association experienced financial difficulties which I was able to resolve and consequently elected me president.

My career consisted of running call centers and working in human resources and customer service. Also, I was the recipient of Team, Excellence, and Team Players Awards.

I enjoy communicating with people and resolving issues for the good of all in a calm and respectful way. I am presently semi-retired and working for Wawa. I look forward to working with all of you again.

PARKING ON THE LAWN

Parking on the lawn is prohibited.

GRASS CUTTING POLICY

Sprinkler heads are the Owner's responsibility

All Grass Cutting Issues must be reported to the HOA Office in writing, using the Lawn Complaint Form (forms are available at the HOA Office or on our website at (holidayheights.org). Please do not call the Lawn Contractor or a Director. A complaint form must be filled out for all complaints. No complaint form filled out will void the complaint.

Damage to property such as siding, fences, borders and sprinklers will be addressed in a timely manner. Our contractor has staff to handle these repairs. Should you have damage, please take responsible measures to prevent further damage. All complaints will be inspected by a director to determine the cause and action to be taken. Repairs made by homeowners prior to the Director's inspection and without authorization by the Board, will not be reimbursed. Please ensure the cutters have a clear path and your sprinkler heads are down on grass cutting days. Sprinkler heads damaged due to heads being raised during the cut cycle will not be repaired by the Lawn Contractor. If you have heads that do not retract, place red do-not cut flags around the head until you can have it repaired, also confirm all ground panels are secured.

Damage to lawns such as scalping and ruts will be considered on a case-by-case basis. Some will grow back without intervention. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinklers. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red flags from the HOA Office and circle the saturated areas so the mowers know not to cut that area.

No Cut Signs are a violation and are subject to a fine if placed on your lawn.

"No Cut" flags are available in the HOA Office for those not wanting the Association to cut their grass. You will need to fill out the No Lawn Cut form and you will be given flags at the HOA Office.

Under normal soil conditions, grass requires only ½ to 1 inch of water per week. Our soils are generally wetter due to the high-water table and type of soil; therefore, discuss this with your sprinkler contractor and ask them to adjust the frequency and run times on your sprinkler system for roughly ¾ inch per week. Also ask them to adjust your system as needed throughout the watering season. Remember the water requirements for the area between the homes may be less than the front and back, work with your neighbors to establish a watering schedule. Watering your lawn every day is not needed unless it is a new seeding.

Contractor Disclosure in its entirety can be found on the Holiday Heights website
www.holidayheights.org

A rectangular framed sign with a light-colored background and a dark border. The text is centered and reads: "When one door of happiness closes, another opens; but often we look so long at the closed door that we do not see the one which has been opened for us." The text is in a serif font.

Having Trouble Making Ends Meet?

Do You Need Food?

Many people live on fixed incomes, are disabled, out-of-work, or are working at low-paying jobs, making it hard to cover basic necessities.

If you, or someone you know, needs help with food, help is available. Come to the:

FULLFILL – Mobile Pantry Food Distribution

**At: Holiday City @ Berkeley,

You can pre-register by asking for a registration form at the Clubhouse 2 office.

Monthly Food Drive

The Monthly Food Drive, the last Friday of each month, is an ongoing drive that is in our second year. Please donate any non-perishable food items you can. There is still a need for donations in Ocean County. Many families are unable to afford food on an ongoing basis.

There are also bins outside our clubhouse that are taken in daily!!! Other communities are welcome to donate. Do your part if you can and donate. It will give you a warm and fuzzy feeling!!!!!!!

HOLIDAY HEIGHTS

CHORUS & THEATER GUILD

First and foremost, we'd like to express our thanks for your support of our June play, "Tina and Tony's H.S. Reunion." Ticket sales were unprecedented and the positive comments and praise were heartwarming!

Secondly, as we near the beginning of our next season on September 9th, we'd like to announce that you can now join just for the Fall to participate in the Tree Lighting Concert, for those of you who are not interested in acting. Conversely, you can wait until January to join if you'd like to act (with just a little bit of choral singing). Of course, you can also join for the full year if you'd like to participate in the concert and the play!

So, please consider joining us on Monday, September 9th at 5:30 in the clubhouse. If you need more information, please give me a call!
