#### **WHAT IS THE CODE COMMITTEE?**

The Code Committee is the first stop for new Homeowners (and longtime residents) to make before starting any Exterior Project to their new home i.e. roofing siding, window replacement, painting, driveway resurfacing/expansion, cement/stone work, landscaping, and tree trimming/removal.

The Committee handles Homeowner applications for any exterior changes to or on their properties which requires approval by the Board and may also require the need for a Berkeley township permit before work can begin.

The Code Committee is in session on Monday mornings from 9:30 am – 11:00 am (unless otherwise notified via Robo Calls) Ron Knecht is the Chairperson and can be reached at 732-244-8686 ex. 220 with any and all questions.

The Code Committee consists of Homeowner volunteer members including 2 Co-Chairpersons.

The responsibility and duty of the Committee is to uphold the Property & Use Restrictions set forth in the Declaration, Bylaws, and Rules & Regulations in the Association Handbook.

The Committee will monitor and investigate any violation or complaint a Homeowner may have relating to other properties within the Community and a report of any complaint or violation will be given to the Board of Directors who then advise the Homeowners of any violation and potential for fines.

We are here to serve all Holiday Heights Homeowners and to maintain the home values of everyone in the Community with uniformity and adherence to the Code.

# Message from the President

By Lou Mangerpan

Well, April is here and so is spring, a time of new life, increased activity, some rain, and warmer weather, "maybe". Mother nature does have a mind of her own and with possible changes in our climate; we may see some different weather than we expect. Let's hope it's not the white stuff.

We are pleased to announce that Lorraine Pietrucha has filled the position of Secretary of the Board. Thank you Lorraine for volunteering your time.

I'm sure we are all looking forward to the pool reopening. We will have some pool attendants, by

homeowner request, on a limited hour basis. With the new access card system, you will no longer have to sign in but instead "swipe" in at the gate. Face recognition will prevent people coming in who are not members, residents, or guests.

The Association will also be offering outdoor activities such as pickleball, tennis, bocce ball, shuffleboard, cornhole and horseshoes. You can also rest in the sun and read a good book if that's what you like. Let's make this a great season and take advantage of all the Association can offer.

### GRASS CUTTING SCHEDULE

All dates are contingent on weather conditions and can be modified.

April 15	June 10	August 1	September 30
April 25	June 20	August 12	October 14
May 6	June 30	August 22	October 28
May 19	July 11	September 4	
May 30	July 22	September 16	

# **GRASS CUTTING POLICY**

## **Sprinkler heads are the Owner's responsibility**

All Grass Cutting Issues must be reported to the HOA Office in writing, using the Lawn Complaint Form (forms are available at the HOA Office or on our website at [holidayheights.org](http://holidayheights.org)). Please do not call the Lawn Contractor or a Director. A complaint form must be filled out for all complaints. No complaint form filled out will void the complaint.

Damage to property such as siding, fences, borders and sprinklers will be addressed in a timely manner. Our contractor has staff to handle these repairs. Should you have damage, please take responsible measures to prevent further damage. All complaints will be inspected by a director to determine the cause and action to be taken. Repairs made by homeowners prior to the Director's inspection and without authorization by the Board, will not be reimbursed. Please ensure the cutters have a clear path and your sprinkler heads are down on grass cutting days. Sprinkler heads damaged due to heads being raised during the cut cycle **will not** be repaired by the Lawn Contractor. If you have heads that do not retract, place red do-not cut flags around the head until you can have it repaired, also confirm all ground panels are secured.

Damage to lawns such as scalping and ruts will be considered on a **case-by-case** basis. Some will grow back without intervention. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinklers. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red flags from the HOA Office and circle the saturated areas so the mowers know not to cut that area.

No Cut Signs are a violation and are subject to a fine if placed on your lawn.

"No Cut" flags are available in the HOA Office for those not wanting the Association to cut their grass. You will need to fill out the No Lawn Cut form and you will be given flags at the HOA Office. If you change your mind and decide you want your lawn cut, please remove the flags.

Under normal soil conditions, grass requires only ½ to 1 inch of water per week. Our soils are generally wetter due to the high-water table and type of soil; therefore, discuss this with your sprinkler contractor and ask them to adjust the frequency and run times on your sprinkler system for roughly ¾ inch per week. Also ask them to adjust your system as needed throughout the watering season. Remember the water requirements for the area between the homes may be less than the front and back, work with your neighbors to establish a watering schedule. Watering your lawn every day is not needed unless it is a new seeding.

Contractor Disclosure in its entirety can be found on the Holiday Heights website

Lou-Discussed the Stay in NJ Program which combines the Anchor and Tax Freeze programs. Which will provide eligible homeowners reimbursement directly to their property taxes. The mayor will attend an upcoming Homeowners Meeting to explain.

Lou- announced that if you haven't picked up your Homeowners Handbook yet. You can stop by the office during business hours to pick one up.

Homeowners' questions:

How much do we need to keep in Reserves? Answer- Per the Capital Reserve Study were required to add \$300,000 a year.

Are there any anticipated increases? Answer-Not at this time but will review in August with new Budget.

Did the dues go up because there was not enough money in Reserves? Answer- The dues were increases because of the new NJ State Mandate and the Capital Reserve Study requiring us to increase the Reserves from \$182,000 to \$320,000. The largest project in the near future is the parking lot and curbing which could be about \$750,000.

How much goes into the Reserves? Answer- On average about \$23,000 per month. Also new home buyer fees \$750, rental fees and lease fees.

Why did some other communities' fees go down? Answer- Mostly because their Reserve Study wasn't due yet and they are still under the old law. Some communities have had Special Assessments.

Is it true that the Shuffleboard courts will cost \$125,000 to refurbish? Answer-No that amount is not in play. There will be 4 shuffleboards resurfaced and 4 cornhole. Still working on pricing.

Tim- Thanked Joanne Grzywinski and Recreation for the donation of 10- 6 ft round tables and 3 dollies to the clubhouse. Also spoke about that the new pickle ball courts project has begun. They would be an added amenity to the clubhouse. Also mentioned that the new stage curtains have been installed.

George: Discussed the upcoming grass season schedule will be posted in the April Courier. Many homeowners had questions and complaints from the last season. George advised that when a situation occurs to fill out

the grass complaint forms. He is notified immediately by the office and he can contact the landscaper quickly. Also mentioned that volunteers are need and that if you're interested to contact him.

Al- Thanked everyone for the warm welcome. He gave everyone his email address [alathepool@gmail.com](mailto:alathepool@gmail.com) and phone number 201-737-0851. Everything is new and he asked for everyone's help. There are 8 pool attendants so far. He would like to start a Pool Team for ideas to make it better.

Homeowners had many questions and suggestions about pool hours and maintenance.

Carol H- presented a brief overview of some large projects coming up. HOPA is the Housing for Older Persons Act of 1995 and was designed to address specific housing needs for seniors. The last survey was done in 2023 and completed in 2024. The March Courier will include the HOPA information along with directions for completion.

Enumerate operating system – our previous operating system Tops was phased out in 2024. We transitioned over to Enumerate in May 2024. The new system will offer a portal to homeowners to update information, pay quarterly dues, email blast and many other possibilities. The “Go Live Kickoff “ is around March 17” with an email. If you do not receive the email, check your spam folder. For those that do not have a computer we will still mail the important information directly to your home. A video presentation of Enumerate was played for the homeowners. There will also be in-house training session meetings to help with signing on to the system. The dates will be announced in Robo calls, posted on the website or published in the April Courier.

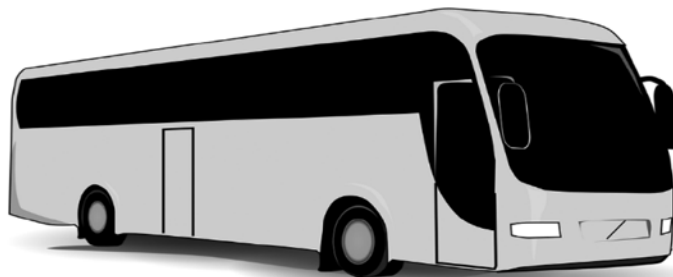

Security system update –the reason for the security system is that a few years back it was questionable how safe our buildings were. Many of the other communities hired security persons during the hours that the buildings are open. After doing some research we found that the cost to have a security person would be around \$40,000 a year . Straight line security cameras with face recognition and the access cards cost us under \$2,700 a year for a service contract. Every homeowner will receive a picture access card. The access card will allow you to enter buildings and also the pool area. You will not need an access card when there is an event. There will be a schedule of dates for the homeowners to come to have their picture taken for the access cards. We hope to begin that process by the end of March and finish by mid-April.

Lou opened the floor for Committees/Clubs reports

Meeting closed at 3:55

## ROBO CALLS

### FYI.....

1. Only one (1) telephone contact per household. If you are receiving the Robo Calls on more than one phone please call the office and correct the multi numbers.
2. If your Robo Calls cut off in the middle, be sure to give the HOA Robo Calls "Caller ID" so that the call will be accepted and let it go directly to your voicemail. Extend the message allowed time to 3 minutes which is the length of the weekly calls. You will also be able to play back the call to listen to any parts you may have not heard clearly.
3. If your calls get cut off as soon as you pick up the phone, let your calls ring at least two times. If you pick up too quickly, you may disconnect the computerized cycle within the system.
4. If you have the same problem week after week, please call me and leave the details on my phone so I troubleshoot with the service provider.

Please send any Robo Call questions and/or frequent issues to Carol Hudak @ ex. 219 to be included in next month's FAQs

## Do You Need Food?

Many people live on fixed incomes, are disabled, out-of-work, or are working at low-paying jobs, making it hard to cover basic necessities.

If you, or someone you know, needs help with food, help is available. Come to the:

### **FULFILL – Mobile Pantry Food Distribution**

**At: Holiday City @ Berkeley,  
Parking Lot by Clubhouse 2**

**On: Friday, April 25th, 2025 9:30 AM to 11:00 AM**

You can pre-register by asking for a registration form at the Clubhouse 2 office.

631 Jamaica Blvd, Berkeley Township

Pre-registration helps the Food Bank know how much food to bring, but if you don't pre-register, you can still come and receive food.

The mobile pantry will be distributing non-perishable food, as well as fresh produce and baked goods. Please bring ID. If you have questions please call FULFILL The NEW Food Bank of Monmouth and Ocean Counties at 732-918-2600 Ext.5873.

# A SHOUT OUT TO: Edie Walton

By: Pat Nardiello

Those of you who know Edie already know that she is a tiny burst of energy! And to those of you who do not know her, get ready to learn a few immensely valuable life lessons from a very wise little Lady.

Edie and her husband moved here to Holiday Heights 35 years ago. They were high school sweethearts and were happily married until he passed away 12 years ago.

However, knowing that they were getting ready to retire, a friend of theirs told them about a senior community that was being built. Their interest was piqued, and they came here to talk to the builder and began looking at models and setting out on the path to becoming Holiday Heights residents. They happened to have been the very first residents to choose the Lexington A model. This is where her enthusiasm for keeping busy continued. Coming from Clark, NJ, they then packed their bags and moved into their beautiful, new home. (Just as an aside, if one entered her home last month, you would have seen a garage full of beautiful gift baskets. She so kindly gave them a home awaiting the HHFAA auction in May!)

Edie was always a walker! Very early on when she lived in Bergen County and worked at McGraw Hill in NYC, as a secretary, she took public transportation to work walking to and from her bus stops every day. This became a necessary part of her life and when she left work to raise her two sons, she promised herself to keep exercise at the top of her list of priorities. At that point, she volunteered to help deliver the Courier to our residents, of course, on foot, knowing the job would keep her walking. She and her husband participated in square dancing, and she subsequently became involved in line dancing, which kept her in motion. At one time she even volunteered to drive our less ambulatory residents to various appointments.

One of her greatest contributions to our community was assuming the role of exercise instructor. She remained in that role until four years ago when her life came to a halt due to a stroke. Being the smart woman that she is, at the onset of the stroke she felt a strange sensation come over her and told her friend to call her son, who immediately saw to it that she sought medical attention. During her recovery time,

she was so thankful for the friends and neighbors who brought her home-cooked meals and catered to her other needs. She wants everyone to know the importance of getting to a hospital as soon as possible to lessen the long-term effects of a stroke. Edie is convinced that her lifetime routine of exercise has been instrumental in blessing her with a complete recovery. Although she no longer drives, and her walking days are fewer, she is now the recipient of the generosity of the many friends she has made here who gladly take her where she needs to go.

As a nonagenarian, she has the plaques of congratulations bestowed upon her from our mayor and senator at her surprise birthday party to prove it. She continues to remain busy. She likes to crochet and play Rummikub. Because she is so humble, she is irked by people who brag but manages to maintain her sense of humor, which is invaluable. As an avid reader, Edie has a very impressive library and has donated many of her books to Holiday Heights library for our reading enjoyment.

And just in case you are wondering, she is still exercising at the clubhouse at the young age of 90!! Congratulations, Edie, as you continue to live life to the fullest!

## Social Club News

**W**e don't know anyone who doesn't love Spring. Finally, our heavy coats have been retired, and our spring jackets have replaced them. Although April is a short month, it has a lot going for it. Days are longer and the dreary days of winter are long gone. Back are the sounds of birds and lawnmowers, and celebrations of Easter and Passover bring family and friends together.

And, speaking of friends, don't forget to join us on Thursday, April 17th when we welcome the season with two of our favorite performers, Julian and Dominique. You can't help being amazed at their talent.

As always, we will be providing dessert and refreshments. So, spend a few hours with your friends and neighbors and enjoy the music. Doors open at 5:30 PM. If you haven't joined or renewed your membership for the 2025 season, it's not too late. We have a great line-up of terrific entertainment scheduled for the rest of the season that we know you'll enjoy.

Please check the Courier and the Robo calls if you have any questions. See you on the 17th.

## Recipe

### Coconut Macaroons

*Submitted by Pat Nardiello*

#### Ingredients:

3 egg whites, at room temperature

½ cup sugar

1 teaspoon vanilla extract

½ teaspoon salt

2 cups flaked coconut

1/3 cup all-purpose flour

#### Directions:

1. Preheat oven to 325\*. Lightly grease two cookie sheets.

2. In a small bowl with mixer at high speed, beat whites until soft peaks form. At high speed, beat in sugar, 2 tablespoons at a time, beating well after each addition until completely dissolved. Beat in vanilla and salt; whites should stand in stiff, glossy peaks. With rubber spatula, gently fold in coconut and flour.

3. Drop by heaping teaspoonfuls, 1 inch apart, onto cookie sheets; bake 20 minutes, until lightly browned. With metal spatula, carefully remove cookies to wire racks; cool.

4. Enjoy

# HOLIDAY HEIGHTS FIRST AID SQUAD

The Holiday Heights First Aid Squad was formed in 1987 to serve the residents of Holiday Heights. We currently work a 12-hour shift from 7 am until 1900 (7 pm). The days we work are Monday, Tuesday, Wednesday & Thursday.

Each crew consists of an EMT or Certified Assessor, a driver/ lifter and an information specialist. Both of our ambulances are equipped with hydraulic stretchers that lift the patient into the ambulance.

There are 3 requirements to become a squad member: having a valid driver's license, getting CPR certified, and being able to get on and off the ambulance unassisted.

All crew members are certified in CPR and the use of an AED. Classes are provided in the squad

building, and all costs are covered by the squad. Members that want to be certified as an Assessor or EMT may take the required class at no cost. Drivers attend a CIVO or Advance Emergency Drivers class. Additionally, there are other classes offered by the town or County, and attendance is voluntary.

Uniform shirts and jackets are provided by the Squad. You will need black pants and black shoes.

Most Crews work two or three days per month, and we also have one mandatory meeting per month, usually the fourth Wednesday of the month.

If interested please fill out the bottom of the flyer and drop it off at the squad building, 120 Prince Charles Drive.

## Library Request

We respectfully request that anyone with numerous boxes of book donations contact a librarian before dropping them off. The names and phone numbers are listed below.

It is not safe with boxes of material laying around, much of which is not manageable by our volunteer staff. Please be considerate when donating items with regard to topic, condition and/or age of material and quantity.
