News from the Board

By Lou Mangerpan

Civics is the study of civic affairs and the duties and right of citizenship. That is important especially to a 55+ community. The Association must always be alert to any Federal, State, County or local Township activities which may impact our community. Some activities may be good and some undesirable. Holiday Heights did form a Civic Committee this year to monitor Federal, State, County, and Township legislation as well as services provided by off-site entities. The Committee, chaired by Phyliss LaBruna, is doing a wonderful job keeping the Board of Directors informed about activities taking place and the effect on our community. The Board can then bring this information to our Homeowners in a timely manner. The latest was on the new ROBO cans. The Township did order approximately 27,000, but we do not have a delivery date or information about distribution yet. Keeping informed of activities or pending legislature will let the Board react to issues which may have a negative effect on our community or to support activities which would benefit our community. The Board would like to thank Phyliss for her dedication in attending Township meetings and noting critical issues.

Message from the President

By Lou Mangerpan

It was a remarkably busy May in the Clubhouse with the picture taking activity for the new Access Cards. Many Homeowners did come in as scheduled, and the Board thanks you for that. The Access Card distribution will start sometime in June due to some programming issues. During May and until the Access Cards are distributed, members will only have to sign in to access the pool area. Once the Access Cards are distributed, members will need them to be able to enter the pool area. I would like to thank our Office Staff for taking the pictures and our volunteers for helping with the picture taking. They did a wonderful job. I am looking forward to using the pool this season which looks like it will be a hot one. Hope to see many of you there. And be sure to keep up with everything that is going on by listening to the weekly ROBO calls.

GRASS CUTTING POLICY

Sprinkler heads are the Owner's responsibility

All Grass Cutting Issues must be reported to the HOA Office in writing, using the Lawn Complaint Form (forms are available at the HOA Office or on our website at holidayheights.org). Please do not call the Lawn Contractor or a Director. A complaint form must be filled out for all complaints. If no complaint form is filled out the complaint will be voided.

Damage to property such as siding, fences, borders and sprinklers will be addressed in a timely manner. Our contractor has staff to handle these repairs. Should you have damage, please take responsible measures to prevent further damage. All complaints will be inspected by a director to determine the cause and action to be taken. Repairs made by homeowners prior to the Director's inspection and without authorization by the Board, will not be reimbursed. Please ensure the cutters have a clear path and your sprinkler heads are down on grass cutting days. Sprinkler heads damaged due to heads being raised during the cut cycle **will not** be repaired by the Lawn Contractor. If you have heads that do not retract, place red do-not cut flags around the head until you can have it repaired, also confirm all ground panels are secured.

Damage to lawns such as scalping and ruts will be considered on a **case-by-case** basis. Some will grow back without intervention. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinklers. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red flags from the HOA Office and circle the saturated areas so the mowers know not to cut that area.

No Cut Signs are a violation and are subject to a fine if placed on your lawn.

"No Cut" flags are available in the HOA Office for those not wanting the Association to cut their grass. You will need to fill out the No Lawn Cut form and you will be given flags at the HOA Office. If you change your mind and decide you want your lawn cut, please remove the flags.

Under normal soil conditions, grass requires only ½ to 1 inch of water per week. Our soils are generally wetter due to the high-water table and type of soil; therefore, discuss this with your sprinkler contractor and ask them to adjust the frequency and run times on your sprinkler system for roughly ¾ inch per week. Also ask them to adjust your system as needed throughout the watering season. Remember the water requirements for the area between the homes may be less than the front and back, work with your neighbors to establish a watering schedule. Watering your lawn every day is not needed unless it is a new seeding.

Contractor Disclosure in its entirety can be found on the Holiday Heights website

www.holidayheights.org

If you have any questions or concerns, please Call George Wilhelm at Ext 213

A SHOUT OUT TO: Rosann Gregilovich and Karen Huebner

By Pat Nardiello

"Nestled in the folds of South Jersey in a quiet vale, sits our lovely "Home Sweet Home", Holiday Heights all hail! And greeting us into our 55+ Community stands our stalwart welcoming sign, with its gold leaf lettering and concave-carved rune reminding us of the hospitality you will find here!

This sign stands 6+ feet off the ground with its stately posts topped with gold finials. It is surrounded by a small 18-inch wall filled with river rock. Hundreds of residents and guests pass this sign every day, but it took the enthusiasm of Rosann and Karen to stop and notice the weathered condition of this billboard that opens its arms to us as we enter! They saw our tired mascot with its dirt-encrusted letters and mold-covered filigree as a signal to them to come to the rescue. So, like the busy, caring, considerate volunteers that they are, they set out to make things right. Filled with their robust energy, they armed themselves with the necessary equipment to bring it back to life. It's an understatement to say these ladies cleaned the sign up, the challenge they faced to achieve their goal was nothing less than a backbreaking labor of love! But how would they accomplish this task with no running water, no hose, no ladder, and the dare to reach its "**HEIGHTS?**" These two fun-loving friends had to improvise, bringing with them buckets of water, dish detergent, rags, scrub brushes, a watering can, and gallons of milk containers filled with water to attack this job. It had to be done carefully making sure when they washed the gold lettering that the gold paint did not come off with the mold. The carved lettering was also a challenge. Using a scrub brush, it took a great deal of elbow grease to get into the crevices to accomplish their goal. And in case you

never noticed, the sign is topped with a solar light which also needed to be rid of the grime. In order for it to continue to face the sun, they wedged a rock under the light to position it so it could, once again, soak up its solar energy. Now, of course, as tall as the sign is, they had to defy the odds to rinse off the soapy suds. Picture it, trying to pour buckets of water onto the sign that was above their heads! The water went running down their arms, onto their heads, and into their faces. It seems the watering cans and milk containers produced the same results, so Karen and Rosann, with their easy-going nature, laughed it off and had to resign themselves to the fact they were going to walk away from this project dripping wet!

Just as an aside, these two ladies cleaned our sign in their spare time, as they otherwise collectively fill their time participating in many other activities that Holiday Heights has to offer. One or both are active in the Men's Club, the Women's Club, Bocce, Corn Hole, Pickle Ball, Bingo, Exercise Class, Friday Game Night, the Holiday Heights First Aid Auxiliary, and Karen is the Treasurer of the Social Club.

Please, the next time you are leaving from or returning home via Mule Road, take a moment and pause to notice the beautiful sight of our newly refurbished landmark and remember to thank Rosann and Karen for a job well done!

Social Club News

Welcome to June. As the days grow longer and the weather is warmer, we get to see more of our neighbors as they walk by, work in their gardens, enjoy our pool and wash the green pollen off everything.

And we certainly can't forget Dad on Father's Day, whether we celebrate his memory or enjoy watching him sweat over the hot barbeque grill. Also, be sure to mark your calendars, because June 19th marks the last get-together of Social Club's 2024-2025 year. Plans are still being finalized, but we promise you it will be a fun evening. We will return in September for the 2025-2026 season. We hope that you all enjoyed this year as much as we did.

As we say goodbye to a wonderful year filled with shared laughter, great entertainment, and a few hours shared with both old and new friends, let's embrace the summer months ahead with the same spirit of togetherness. Be on the lookout for updates about exciting events that we are planning for the upcoming season. Check the Courier and robo calls for information on renewing or joining Social Club. Enjoy the sunny days and remember that our club thrives because of each one of you. Have a fantastic summer, and we can't wait to see you all in September for another year of friendship and fun.

HOLIDAY HEIGHTS FIRST AID SQUAD

The Holiday Heights First Aid Squad was formed in 1987 to serve the residents of Holiday Heights. We currently work a 12-hour shift from 7 am until 1900 (7 pm). The days we work are Monday, Tuesday, Wednesday & Thursday.

Each crew consists of an EMT or Certified Assessor, a driver/ lifter and an information specialist. Both of our ambulances are equipped with hydraulic stretchers that lift the patient into the ambulance.

There are 3 requirements to become a squad member: having a valid driver's license, getting CPR certified, and being able to get on and off the ambulance unassisted.

All crew members are certified in CPR and the use of an AED. Classes are provided in the squad

building, and all costs are covered by the squad. Members that want to be certified as an Assessor or EMT may take the required class at no cost. Drivers attend a CIVO or Advance Emergency Drivers class. Additionally, there are other classes offered by the town or County, and attendance is voluntary.

Uniform shirts and jackets are provided by the Squad. You will need black pants and black shoes.

Most Crews work two or three days per month, and we also have one mandatory meeting per month, usually the fourth Wednesday of the month.

If interested please fill out the bottom of the flyer and drop it off at the squad building, 120 Prince Charles Drive.
