News from the Board

By Lou Mangerpan

I'm pleased to say the Board and the Community have had a very successful year. Quite a few achievements were accomplished. New pickle ball courts were created, pool hours and days were extended, tennis courts were updated, the Courier was improved, the HOPA survey achieved a very high return rate, the new Facilities Committee found a number of issues that were corrected.

Thanks to Bingo, new furniture was purchased to replace the old stuff under the pavilion, new tables for auditorium, a new walkway to the garden area was completed and a new projector and screen were installed.

New stage curtains were installed. The new Fire Alarm System was completed, a new Security System was installed, new water fountains were installed, and the new handbooks were distributed.

Maintenance Contracts were established for HVAC, cleaning, audio system, landscaping and sprinklers, outside door system and the kitchen stove and fire prevention system.

Special thanks to Bingo, Social Club, Men's Club, Garden Club, Chorus, Women's Club and the First Aid Auxiliary for donating the time and financial support for the many items purchased for the community. Without these volunteers the community would not be as lively and well taken care of.

September will bring new Directors to the Board and I'm sure they will have new ideas and energy. Do your best to support them and assist in keeping this Community wonderful. One of the best ways is by volunteering.

President's Message

By Lou Mangerpan

September is a very important month for Homeowners and the Association. Homeowners get to choose the new Directors, who along with the returning Directors, will run the Association for the next three years. Directors have a huge impact on the Association and the Community so they should be chosen carefully. Right now, we have three candidates running for four open positions. Write-ins will most likely be selected so please don't write-in Donald Duck. We will not be able to understand him when he gives his reports at Homeowner meetings. Select someone who you think will help improve and run the Association. This will be my last President's Message. I have to say it was an honor to be your President and I truly hope my decisions were in the best interest of the Community.

Elections 2025-Candidate's Narratives

John Barone

My name is John Barone and I am currently seeking to represent our community as a Board member.

I have been living in Holiday Heights for the last 9 years with my wife of 40 years - Rosemary. I am also an Air Force Veteran, honorably discharged as a Staff Sergeant.

I have been actively involved as a Board member for the last 7 years serving as the President, Vice President and as a Director at Large.. My responsibilities while serving the community included being the liaison for the Building and Grounds, the Basins, Grass and Snow, the Welcome Committee and being the Board's representative to attend the Coalition meetings with all ten senior communities.

As President, I was the chief executive of the Board, presiding over all meetings of the Board and Homeowners, as well as executing all contracts, agreements and other instruments of the Association, in order to effectively preserve the financial well being of the community.

It is my hope that my dedication and experience as a Board member will allow me the opportunity to continue to work for you as a Director.

Thank You - John Barone.

Summary of Qualifications for Lorraine Pietrucha

After 32 years of teaching mathematics and computer literacy to both students and faculty at the middle and high school levels in both public and private sectors, I retired. One of my goals for retirement was to do volunteer work where ever I saw a need and where I might have an impact. During my professional career I held office in the Teachers Association, served on the contract negotiating team, was a department chair and was the financial officer and registrar for a Summer camp program. Since moving to Holiday Heights in 2014, I have been involved with religious, public and private volunteer projects. Prior to Covid, I worked in the office of a senior community in Toms River for two and a half years. Most recently in March I stepped forward and was appointed to fill the position of Holiday Heights HOA Secretary. It would be my pleasure to continue to serve the Board as a duly elected Director.

Summary of Qualifications

Steve Raimondi

First, I would like to give you a little background on myself. I was born and raised in Brooklyn, NY in the section called Carroll Gardens. My first time as a homeowner was in Baltimore, MD. My wife and I decided to purchase a home in Holiday Heights to be closer to some of our friends.

I believe I would be a good candidate for the Director position because I am dedicated and committed to achieve positive changes for this Community with the best interests of the Holiday Heights Community. I am eager to learn, adapt and remain open-minded to diverse prospectives. Also pride myself on insuring that parties and voices are heard when making sure that all decisions brought forward are protective of the Community as a group.

I look forward to meeting with all my neighbors and peers to make positive changes aligned with everyone's views and topics.

GRASS CUTTING POLICY

Sprinkler heads are the Owner's responsibility

All Grass Cutting Issues must be reported to the HOA Office in writing, using the Lawn Complaint Form (forms are available at the HOA Office or on our website at holidayheights.org). Please do not call the Lawn Contractor or a Director. A complaint form must be filled out for all complaints. If no complaint form is filled out the complaint will be voided.

Damage to property such as siding, fences, borders and sprinklers will be addressed in a timely manner. Our contractor has staff to handle these repairs. Should you have damage, please take responsible measures to prevent further damage. All complaints will be inspected by a director to determine the cause and action to be taken. Repairs made by homeowners prior to the Director's inspection and without authorization by the Board, will not be reimbursed. Please ensure the cutters have a clear path and your sprinkler heads are down on grass cutting days. Sprinkler heads damaged due to heads being raised during the cut cycle **will not** be repaired by the Lawn Contractor. If you have heads that do not retract, place red do-not cut flags around the head until you can have it repaired, also confirm all ground panels are secured.

Damage to lawns such as scalping and ruts will be considered on a **case-by-case** basis. Some will grow back without intervention. The majority of ruts are caused by the ground being over saturated due to recent rain and/or over watering by the sprinklers. The driver is most likely unaware of the saturated ground until it is too late. Ruts caused by Homeowners over watering their lawn will not be repaired by the Lawn Contractor. Please check your side and rear yards as needed to ensure the ground is not over saturated. If you find there are areas that are over saturated, please obtain red flags from the HOA Office and circle the saturated areas so the mowers know not to cut that area.

No Cut Signs are a violation and are subject to a fine if placed on your lawn.

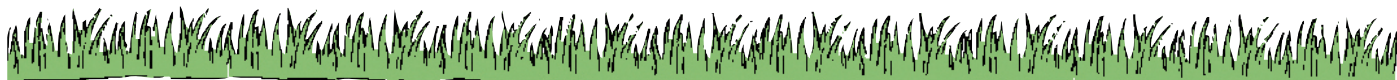

"No Cut" flags are available in the HOA Office for those not wanting the Association to cut their grass. You will need to fill out the No Lawn Cut form and you will be given flags at the HOA Office. If you change your mind and decide you want your lawn cut, please remove the flags.

Under normal soil conditions, grass requires only ½ to 1 inch of water per week. Our soils are generally wetter due to the high-water table and type of soil; therefore, discuss this with your sprinkler contractor and ask them to adjust the frequency and run times on your sprinkler system for roughly ¾ inch per week. Also ask them to adjust your system as needed throughout the watering season. Remember the water requirements for the area between the homes may be less than the front and back, work with your neighbors to establish a watering schedule. Watering your lawn every day is not needed unless it is a new seeding.

Contractor Disclosure in its entirety can be found on the Holiday Heights website

www.holidayheights.org

Social Club News

It's hard to believe that summer is almost over, and what a summer it was. Not only was it one of the hottest summers on record, but we also broke the record several times. Soon, the days will be getting shorter, and the trees will be turning colors. Winter is still months away, so let's celebrate the changes that autumn brings.

One of the things that we're looking forward to is the 2025/2026 season of Social Club. From the feedback we received from our members, last year ended with a bang. The dance floor was crowded, the laughter was contagious, and obviously, the food and refreshments hit the mark.

But we do get suggestions from our members, and we do listen. One of the changes we'll be trying out this season is that we will be calling the winners of the 50/50 and basket drawings immediately after our meeting and before the entertainment. As the days get shorter, we know that many of our members have a problem driving in the dark. We all would like you

to stay until the end of the evening, but we also want you all to stay safe. Hopefully, this will help.

Our first meeting of the new season will be on September 18th. As always, doors will open at 5:30. To avoid crowding, enrollment forms are available in the lobby of the clubhouse. Please take one, fill it out, and bring it to our membership sales on Thursday, September 4th, 11th or 18th between 9:00 and 10:00 in the auditorium. After that, officers will be available in the lobby before each meeting to help you sign up. Dues for the entire season will be \$35.00, which includes entertainment, refreshments and special events.

We look forward to seeing all our past and current members, and of course, new members, on September 18th.

Have a great rest of the summer,
Joanne, Judi, Jane and Karen

V.F.W. POST 10185 NEWS

By Post Commander James Egan 732-644-2119

The next meeting of Silver/Holiday V.F.W. Post 10185 will be held on Thursday, September 4th, at 1:00 PM at the Silver Ridge Park West Clubhouse, 145 Westbrook Drive. We hold our meetings on the first Thursday of each month. We meet in the daytime, so you do not have to drive at night.

To join our post, just bring a copy of your Discharge (DD-214) to our meeting and you will be signed up right away. You'll receive a hardy welcome and refreshments before the meeting. You will also have a chance to talk with fellow Veterans and make new friends.

Anyone needing transportation to our meetings can call Commander James Egan at 732-644-2119 or one of the other Officers, and we will gladly pick you up and take you back home after the meeting.

Remember if you hear of any Post member passing away or being in the hospital, call any officer and let him know.

Monday, September 1st is Labor Day.

Tuesday, September 2nd is VJ Day. This is the 80th Anniversary of the Japanese Surrendering to U.S. This historic event took place aboard the Battleship Missouri, anchored in Tokyo Harbor, ending W.W II on September 2nd, 1945.

Friday, September 19th, is National POW/MIA Recognition Day.

Sunday, September 21st, is the first day of Autumn.

Monday, September 29th is Gold Star Mother's Day and V.F.W. Day. The Veterans of Foreign Wars was established on September 29th, 1899. That is 126 years of fighting for Veterans Rights.

You can join the fight for Veterans Rights by becoming a member of V.F.W. Post 10185. We need your support. To get an application or more information call Quartermaster Dennis Aldridge at 848-480-2728. You will be glad you did.

Holiday Heights First Aid Squad Annual Fund Drive

The Holiday Heights First Aid Squad was formed in 1987 to serve the residents of Holiday Heights. We also offer Mutual Aid to all Holiday City and Silver Ridge Communities when required. We currently work 12-hour shifts weekdays, from 7:00am until 7:00 pm. Coverage when we are not on duty is provided by the Berkeley Township Paid Squad.

Each Crew consists of an EMT or a Certified assessor, a driver/lifter and an patient information specialist. All of our Ambulances are equipped with electric lifters and a power loader to load the patient into the Ambulance.

There are 3 requirements to become a squad member: must have a valid NJ Driver's License, be-

ing CPR Certified and being able to get on and off the Ambulances unassisted. All training is done at the squad by State Certified Instructors at no cost to the members. Uniforms are provided by the Squad.

Financial support for the squad is provided by a small stipend from the Township and by donations from our Annual Fund Drive, which starts in September each year. Everyone should be receiving a request in the mail shortly and we hope you return it with a donation. Holiday Heights First Aid Squad will never charge for services rendered and we sincerely Thank You for your continued Support.

HOLIDAY HEIGHTS FIRST AID SQUAD

The Holiday Heights First Aid Squad was formed in 1987 to serve the residents of Holiday Heights. We currently work a 12-hour shift from 7 am until 1900 (7 pm). The days we work are Monday, Tuesday, Wednesday & Thursday.

Each crew consists of an EMT or Certified Assessor, a driver/ lifter and an information specialist. Both of our ambulances are equipped with hydraulic stretchers that lift the patient into the ambulance.

There are 3 requirements to become a squad member: having a valid driver's license, getting CPR certified, and being able to get on and off the ambulance unassisted.

All crew members are certified in CPR and the use of an AED. Classes are provided in the squad

building, and all costs are covered by the squad. Members that want to be certified as an Assessor or EMT may take the required class at no cost. Drivers attend a CIVO or Advance Emergency Drivers class. Additionally, there are other classes offered by the town or County, and attendance is voluntary.

Uniform shirts and jackets are provided by the Squad. You will need black pants and black shoes.

Most Crews work two or three days per month, and we also have one mandatory meeting per month, usually the fourth Wednesday of the month.

If interested please fill out the bottom of the flyer and drop it off at the squad building, 120 Prince Charles Drive.
